Maureen Beattie Victoria	kwmbeattie1@optusnet.com.au 404841438	Accredited Pastoral Supervisor 2018	I do not have 'super vision', nor am I an expert; my goal/aim as a pastoral supervisor is to provide a safe/holding space where a mutual relationship of trust can begin to develop. Describing this stance, Episcopalian priest Mollie Ward wrote: "begin with the idea that God's real power is derived from vulnerability rather than might – that mutual vulnerability is the divine identity in whose image we are created, imago Dei." When we share this position of mutuality, we are open to the Spirit guiding us leading to transformation, not one but both.	Face to Face, Phone	Not Wednesday or Friday
